

ABOUT THE DCEF

Through generous donors like you, the Dudley-Charlton Education Foundation (DCEF) invests in our district school children what public tax dollars and declining state resources do not. To ensure the highest quality of public education, the DCEF funds innovative educational programs and opportunities that promote instructional excellence through the DCEF Grant Program.

The DCEF is a tax exempt 501(c)(3) nonprofit organization that unifies efforts among educators, parents and community members to secure the highest advantages in public education. The Foundation provides funding for educational opportunities that would not likely receive money from the school district's budget. The DCEF is able to move quickly on educational needs and respond with more flexibility to proposals that are not easily addressed by the district.

Educator grants are made possible through the support of our donors via yearly fundraising activities. We thank you for your support!

THANK YOU FOR YOUR SUPPORT

WHY SUPPORT THE DCEF?

Because of the DCEF, educators in our district are able to write grants to fund the implementation of **creative** and **EXCITING** ideas that enhance the school experience for our students.

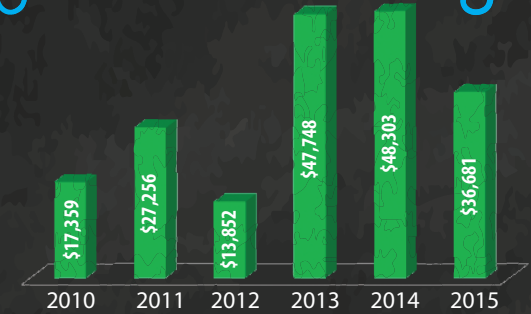

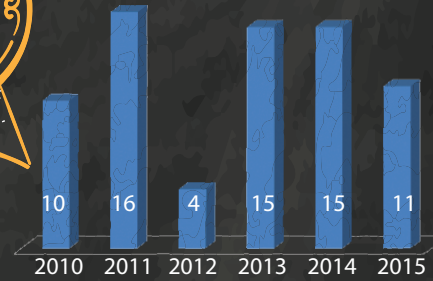

With your investment, the DCEF can continue to fund programs and projects that truly make school come to *life* for our children.

The Dudley-Charlton Education Foundation (DCEF), a tax exempt 501(c)(3) organization, was incorporated in 2008 as a conduit through which our community can **immediately and positively impact our schools.**

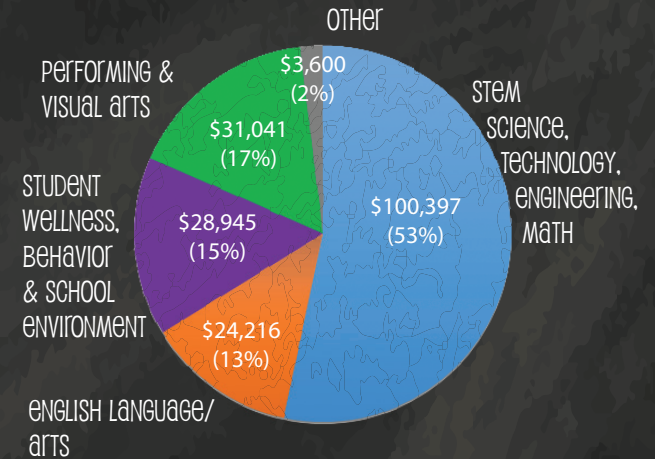

INVE\$TING IN OUR DISTRICT

SINCE 2010, THE DCEF HAS AWARDED:

GRANTS SUPPORT PROGRAMS IN:

"Students couldn't wait to get into the room and begin working on their robot. Students embraced this project and many stood up to be leaders in hands-on programming. As a teacher, it doesn't get much better than this."
~ Sherri Hoffman, DMS Industrial Technology Educator

"Our 'Vivaldi Gloria' project included about 300 students from area schools. I was proud that our district strongly supports the arts. Thank you for your contribution to this effort and understanding the importance of arts in education."
~ Connie Galli, SHRS Music Director

"Knowing that writing is such a foundation skill, we would love the opportunity to continue this program again next year. Thank you for catching our vision and believing in this project enough to provide us financial backing."
~ Carolyn Bates, Grade 2 Teacher and Tina O'Donnell, Grade 3 teacher

"A remarkable side effect of this project was the extent to which exposure to the learning tools in class, combined with the right incentives, led to extraordinary progress in voluntary, continued learning at home."
~ John Rulnick, Grade 8 Teacher
